September 14, 2017

Dear Arlington Property Owner:

This is a notice of construction for the intersection improvements along Arlington Boulevard (Route 50) at Manchester Street and Arlington Boulevard at Park Drive. The work is being performed by Sagres Construction Corporation.

This project is officially in the construction stage and is anticipated to be complete in spring 2018. Please note, the schedule is subject to change and is weather permitting as work will occur during the winter months.

You may have already noticed orange construction signs around the project limits, which are used to maintain traffic during the construction period. Construction activities with work crews and heavy equipment began this week.

The project scope will include signal, sidewalk, storm drainage, curb and gutter work. This safety enhancement project will improve pedestrian safety and connectivity in your community.

Please visit the project websites for more information and future updates.

[Arlington Boulevard & Manchester Street Intersection Safety Improvements](#)
[Arlington Boulevard & Park Drive Intersection Safety Improvements](#)

We will make every effort to minimize disruptions, however some noise is to be expected and lane closures are necessary. Below are some overall construction details.

- Working hours are as follows: Mon-Thu: 9:30am-3:00pm, Fri: 9:30am-2:00pm.
- The overall construction will occur over multiple phases which allows the contractor to work on small sections of the intersection and minimizes impact on traffic. One of the early phases will require a road closure on the service road. All construction activity, including road closures will only occur during the working hours stated above.

Your main point of contact is the construction manager, Mr. Charles Boateng, should you have any construction concerns. He can be reached at 703-589-0147 or cboateng@arlingtonva.us. Your alternate contact is Claudia Russell, Project Manager, who can be reached at crussell@arlingtonva.us or 703-228-1861.

Thank you in advance for your patience and understanding throughout the duration of this project.

Sincerely,

A handwritten signature in blue ink that reads "Claudia Russell".

Claudia Russell, PE
Capital Projects Management Coordinator
